

Product name	Mini Drop mandrel clamp for round OH cable with OD 3-4mm 1200N
Product code	123527
GTIN	
ETIM-Class	EC011590

PRODUCT SPECIFICATIONS

Mini drop clamp is used for the dead-ending of 3 to 4mm aerial round drop cables where spans should not exceed 70m. It has been especially designed to receive round optical drop cables with no FRP rods in their outer sheath construction. This compact clamp presents a mandrel shaped body enabling the roll up and self-tightening of the cable. It includes an opening bail for direct installation on pole fittings, as well as an integrated cable tie. Mini drop clamp is made of UV resistant thermoplastic. The Mini drop clamp can be secured onto many different types of open or closed hardware (min Ø 10mm).

Measurements

Length	3 mm
Height	9 mm
Width	13 mm
Weight	26 g

Technical Specifications - Pole Line Hardware

For Cable Figure	ADSS
Hardware Type	Dead-end clamp
For cable diameter	3-4 mm
Material - Body	Thermoplastic
Max span length	70 m
Max Tension Load	1,200 N
