

Product name	Coyote DTC 6 splice only IP68 incl. 24F splice tray
Product code	84010601
GTIN	
ETIM-Class	EC000762

PRODUCT SPECIFICATIONS

The COYOTE DTC6 provides the ultimate level of application flexibility for fiber drop distribution applications. The closure can be configured with a range of fiber organizer systems to support splice, distributed splitter and drop applications using traditional cable, blown fiber cable, pushable drop cable technology or microtube cable. Organizers to support pre-connectorized drop applications as an alternative to more costly proprietary hardened drop cable systems are also available.

- Size: 274 x 198 x 82 mm
- Max Splice Capacity: 24
- Max Adapter Capacity: 1-4 SCD/LCQ
- Grommet Quantity: 6
- Flexible grommet sealing system supports a wide range of flat or round cable profiles
- Factory installed sealing materials
- Re-enterable and re-usable
- Designed to GR-771 (Generic Requirements for Fiber Splice Closures)
- Constructed with flame retardant UV stabilized material
- Hinged collar system provides quick access.
- No special tools required.
- IP-68 Rated
- Aerial, below grade, direct buried, pole mount or interior applications

Measurements

Length	198 mm
